

*May I compliment you on Zerto Fresh Mozzarella. I bought it yesterday in the 450g size, and it is already finished--I can't stop eating it!*

*It's soft, not salty, kosher -- all things I like.*

*Congratulations on such a superb product. I'm hooked.*

*Does it come in big blocks, or only 450g.?*

*I live in Montreal, in the Cote St Luc area, and bought it at Costco.*
